The OurStory NH team are available to present and/or train or speak on topics related to story and narrative including Ethical Storytelling Practices, Equity and Story and Narrative as Equitable Data Collection

Please contact the OurStory NH project at hello@ourstorynh.com to discuss your particular needs and to arrange a workshop or project.

OUR STORY NH

WORKSHOP REQUIREMENTS

The FULL STORY:

- Platform is web-based and requires a strong and consistent wifi signal
- Requires at minimum one private space with a table and chair for each participant and multiple plug-in or power strips
- Consideration should be give to comfort of participants - accessible site, bathrooms, climate control, parking
- Participants will need to provide their own laptops unless the site has a computer lab for use. Please note: Phones and tablets will not work with the video production application we use. The project has two additional laptops that we will bring with us for participants that do not have one

The SHORT STORY, WRITTEN WORD:

- These workshops may be conducted virtually. We use the Google Meet platform and send out links in advance of the workshops.
- Participants will need a laptop or desktop with audio (speakers and mic) as well as a camera to participate.
- If provided in-person, sites will need wifi and tables and chairs

The STORY STATION:

- This service requires a private, quiet space with a table and at minimum three chairs, wifi and plug availability

Please contact the OurStory NH project at hello@ourstorynh.com to discuss your particular needs and to arrange a workshop or project. We will talk through tech and other requirements specific to your site and participants.
